

Year-based seminar programme

NOTE: these seminars unlike the Core (or main) seminars are taught by year of training and are not attached to a cycle. These seminars are held on Sunday afternoons, 2pm – 4pm.

Weekend	OCT	NOV	DEC	JAN	FEB	MAR	APR	MAY	JUN	JLY
Year 1	Intro to Infant Observations/ Psychiatric placement	Therapeutic Communities			Starting Clinical Work	Fairy tales: metaphor and synthesis				
Year 2	Infant Observation Seminars									
Year 3	Clinical Presentations			Fairy Tale Presentations*			Clinical Presentations			

* The exact number of weeks these presentations will take depends upon the number of trainees required to present their Fairy Tale assignment. If there are more than would fill four Sundays (eight one hour slots) then the clinical presentations (later in the year) will be reduced. If there are less than would fill four Sunday afternoons, then the extra slots will be used for further clinical presentations.
